

Nearly 90% of respondents agree that buying insurance online is now the norm^{††}!

Choosing an  insurance plan can be overwhelming with so many options available. While having someone explain each policy is a good start, do you truly understand what's covered when all's said and done ? ? ?

It's time we change the way we buy insurance. Signing up for travel insurance online is nothing new, but you can get other types of insurance online as well! Now, when you purchase general insurance online, coverage details are clear and transparent. The process is effortless — just a few clicks  , fill in your information, and you're protected in minutes.

 Take charge and buy your own insurance. Check out the plans below and find the ones that suit you best~
